## CPR/AED & First Aid Certification

### Course Overview

This course teaches CPR, First Aid and AED use. This is a classroom, video-based, instructor-led course that teaches students critical skills needed to manage and respond to a first aid, choking or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives.

Students learn skills such as how to treat bleeding, sprains, broken bones, shock, frostbite, and other first aid emergencies.

### Course Includes

- 5 Hours of Training
- Certification Card Good for 2 Years
- Reference Book Provided
