CLASS DETAILS

DATE

November 9th-12th, 2026

5:00 PM - 8:00 PM

LOCATION

IEC Chesapeake

Virtual Class

COST

- Standard Registration \$500.00
- Member Registration: \$470.00

POLICY

Cancellation deadline is 15 business days prior to seminar. All cancellations received after the deadline and/or no-shows will be billed and/or are non-refundable. IEC Chesapeake A&T has the right to cancel class if less than 8 students register.

CLASS DESCRIPTION

Course will help prepare you for the NICET Level 1 Fire Alarm Systems certification exam. This course will cover:

- NFPA 72 review of relevant chapters
- Introduction to NFPA 70
- Basic electronics and OSHA
- How to study for and take a test.
- Review of how to navigate code books
- Taking practice exams.
- How to navigate the NICET website.

All attendees will need to bring the following items to class:

Students will need their NFPA 70 2020 and NFPA 72 2022 during class

Students will need to purchase the NTC Red Book to take this class. The book is available at [NTC Bookstore](#) | [National Training Center](#). (IECC does not sell this book.) Students may also find the Orange Book and Field Notes helpful.

ABOUT THE INSTRUCTOR

Bernie Grubb has worked in the fire alarm industry for over 20 years and is NICET Level IV certified as well as certified to program multiple systems. His resume includes large commercial install, troubleshooting, programming, maintenance, design, project management, and estimating with experience in all the major brands. Additionally Mr. Grubb is knowledgeable in NFPA 70, NFPA 72, NFPA 101, IBC codes and the UL certification processes for fire alarm systems.
